

SAI SUPREME
MANUFACTURING PVT. LTD.

**Leading Manufacturing Company
and Solution Provider for High
Precision Sheet Metal
Products.**

ABOUT COMPANY

Sai Supreme began its journey in 1990 at Faridabad as a manufacturer of sheet metal auto components & expanded with the establishment of its second manufacturing plant at IMT Manesar, Gurugram (Haryana) in 2007.

With a modern manufacturing setup, in-house tool room, and skilled technical team, SSMPL delivers consistent quality, accuracy, and reliability. The company is promoted by experienced leadership with 30+ years of engineering expertise, driving a culture of technology adoption, best practices, & continuous improvement.

Sai Supreme is proud to be a supplier of sheet metal Stamped and Welded Assemblies for Automotive and Non-Automotives industries.
